UO Physical Education
Department Policies

ATTENDANCE
1. Students must attend at least 80% of the total class meetings each term to pass the class and receive credit.
   a) MW or UH Classes: 1 credit (50 minutes) - each student is allowed a maximum of 4 absences, regardless of the reason for the absence.
   b) Once a week classes and “11 session” classes: each student is allowed a maximum of 2 absences, regardless of the reason for the absence.

2. Absences (Definition) - Missing a class due to any of the following reasons constitutes an absence. Late registration, illness- with or without a physician's statement, injury, wedding, funeral, Outdoor Education, Camp Adventure, Athletic Department event or travel, Club Sports event or travel, skipping, or any other reason that keeps you from attending class. If you must miss a number of classes due to any of the above reasons we encourage you to take the class non-credit if space is available.

3. Injury and Illness - During Weeks 1-8, you MUST withdraw from the class if illness or injury causes, or will cause, you to exceed the number of allowed absences. Instructors are not required to arrange for make-ups. If injured during Weeks 9-10, you may be able to arrange an Incomplete grade and write up a contract for completion with your instructor; or you may petition to withdraw through the Registrar's Office.

GRADING
Students enrolled for credit will be evaluated in the following components: Physical (skill/ability), Knowledge (written), and Affective (behavioral). Your instructor will provide specific grading information.

NON CREDIT ENROLLMENT
Non Credit enrollment is allowed only if there is space available in the class on the first day of the term and if the student has not been enrolled in the class for credit, that is, students may not 'switch' from credit to non-credit enrollment in PE classes. Instructor permission is not required during the first week of the term. Non Credit enrollment is done in 102 Esslinger.
